IT STARTS WITH YOU

Throughout the year, generous donors make unrestricted gifts to UWEC.

UWEC gathers data to assess the most critical needs in our community.

UWEC increases the impact of its partners through training, collaboration, and funding.

Nonprofits apply for certification, proving strong governance and fiscal accountability.

Certified nonprofits receive funding to address our community's greatest needs.

Agencies report to UWEC, proving they're creating true, positive change in our community.

As needs arise, UWEC steps in to fill service gaps with programs and initiatives like Stamp Out Hunger, Project HEAL and more!

When you join forces with UWEC, you become part of a collaborative effort that supports several local programs and initiatives addressing our most pressing challenges in Okaloosa and Walton counties.
