

UNITED WE PROVIDE RELIEF.

FEBRUARY UPDATE

United Way
Emerald Coast

Thanks to contributions and incredible partnerships across the community, United Way Emerald Coast swiftly responded to the COVID-19 pandemic by creating resources to address the new, urgent needs of our community. Living UNITED means helping all residents across Okaloosa and Walton counties, especially the most vulnerable, as we navigate the COVID-19 pandemic together.

Since the release of our first COVID-19 grants in April 2020, we have provided the following:

644,943

pounds of food distributed

791

prescriptions filled

143

families avoided utility disconnection

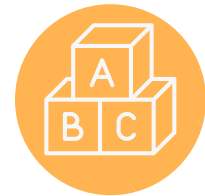

6,940

children served

136

families remained in stable housing

664

weeks of childcare paid

23,161

adults served

2,397

volunteer hours coordinated

83

Veterans assisted

THANK YOU TO OUR DONORS
