

MAKING A *measurable* DIFFERENCE

United Way Emerald Coast improves Okaloosa and Walton counties by focusing our attention and by supporting programs in three categories for maximum impact. Why health, education, and financial stability? Because when everyone has these, they thrive and our community thrives.

Non-profits funded by our Community Investment Grants must submit Quarterly Reports to prove their impacts. Here are some of our recent achievements:

89%

of youth improved academically over the school year

12,442

individuals improved their overall health & well-being

483

toddlers received quality childcare so parents could work

COVID-19 RESPONSE

*statistics accurate at time of printing 2.2021

In April, as the world was addressing the COVID-19 pandemic, UWEC quickly pivoted plans, but not our approach. By working collaboratively, we mobilized resources and relationships to meet the urgent needs of our most vulnerable families, children, and individuals.

30,101

individuals across Okaloosa & Walton counties impacted

644,943

pounds of food distributed

791

emergency medications filled

136

families remained stably housed

WE NEED YOUR HELP

We know many families will be stretched in the coming months and our partners will continue to see an increased demand for services. Now, more than ever, we need your support to help us respond, recover, rebuild, and reimagine for the long term.
