More

In today's complex world, there's no one way to tackle the challenges we face. Instead, it takes all of us working collectively, in all kinds of different ways, to get the job done. Through research and planning, investments in programs and initiatives, advocacy and public educational awareness activities, we are creating real and measurable changes in health, education, and financial stability.

Unrestricted gifts support multiple programs across the community; these programs are monitored to ensure they're effective, meet community needs, are financially stable, and sustainable. All gifts are assessed a fundraising/administrative fee in accordance with United Way Worldwide Membership Standards; fee is based on historical information and won't exceed the actual cost incurred.

Pledge instructions (optional): you may designate to a maximum of two agencies, with a minimum of \$50 per designation. Any designations that do not meet these thresholds will be directed to the Community Impact Fund. UWEC will not be able to track results or outcomes of your designated gift.
